SEPTEMBER 13

Meeting Overview

Meeting Coverage 9/12

Kalista Mitrisin- News Director

Students and Club Members-

Last week we discussed a basic overview of the Nittany News. We talked about our goals and ambitions as a club, along with what we hope to accomplish within this semester.

Secondly- I Informed our club members that next week's meeting on Thursday, September 19 at 12:00 pm, we will be hosting our annual Nittany News election to vote leaders into office.

I urge you all to think about what interests you within this industry. Whether it be writing, reporting, filming, editing, or marketing, let's work together to make our club, and your stories come to life!

SO, WHAT'S IN STORE FOR NEXT WEEK?

Nittany News Meeting, Thursday, September 19 at 12:00 pm

ELECTIONS, ROLE RETRIEVAL, HEADSHOTS & FOCUS GROUPS

Students- we will begin our meeting next week by holding our 2019 Nittany News Election. Here, we will have students introduce the position in which they are interested in, and why they want/qualify for this position. (Leadership positions are a great opportunity for resume building!)

After we have successfully elected our officers in, you guys will be asked what area of interest you acquire, so we can assign you roles that seem fit. (You don't have to be experienced to be interested... we'll help you gain experience!)

Once everyone has gotten an idea for where they will be working and what they'll be doing, we are going to collaborate on upcoming story coverage ideas.

AND LASTLY... HEADSHOTS!!!

To wrap up our meeting, we will be taking headshots of our Nittany News members! This will be used for your bio on our news page.
